

Internal Quality Assurance Cell Barbhag College

INSTITUTIONAL BEST PRACTICES: 2018-19

1. Cultural Procession

Objective:

- A. To motivate and popularise unity in diversity through various culture and tradition of the society.
- B. To develop cultural competency amongst students.
- C. To make awareness of local customs and traditions.
- D. To develop social harmony as well as cooperation and positive environment in the college.

Context: Cultural Procession has been practised by the students of the College every year during the College Week led by Students Union with the support of the college authority.

The Practice: different themes related to cultural aspects of the society are presented during the Cultural Procession of the college. Various Themes like Assamese Wedding, different folk cultures, religious cultures, Festivals like Bihu, Durga Puja, Holi, Natural Resources of Assam and its Culture, Gender Issues, Effects of Mobile and Internet, Awareness against the Use of Drugs, Life cycle of a Girl, Rural Economy etc are presented during Cultural Processions.

Evidence of Success: Photographs taken during the Cultural Programme and Certificates presented to the students who have participated in Processions.

Problems: financial constraint

2. Awareness Programmes

Objective: To create awareness among the teachers, students and mass people regarding social, gender, health, educational and environmental issues.

Context: For the upliftment of social, gender, health, educational and environmental issues among the teachers, students and community, the college opt such type of practice.

The Practice: The following awareness programmes has been organised during the period:
