

COURSE OUTCOME

Department of Assamese

2020-21

Programmespecific Outcome:The Barbhag College is affiliated with Gauhati University and it follows the programme-wise curriculum provided by the university. The Graduate course of Assamese in Assamese Honours and the Regular course deals with the History of Assamese literature and linguistics. The courses of the Assamese department also inculcate the students to acquire knowledge about Assamese culture, its historical background, Assamese folk traditions, diversity of Assamese culture, etc. The course structure of BA in Assamese Honours under CBCS divided into 6 semesters that contains Core papers, Skill Enhancement paper, Ability Enhancement Compulsory Course papers, Discipline-specific Elective papers and generic papers.

The programme will make the students familiarize themselves with the trend and tendencies of early and modern Assamese literature. The Programme will help the students to obtain knowledge about the Origin and Characteristics of the Assamese language, the structure and pattern of Assamese culture, cultural diversity and the unity of Assam. It is expected that the programme will enable to familiarize the students themselves with Indian aesthetics as well as western criticism. The course will provide creative skills and empower the students with communicative skills
